

YACHT TRAINEESHIP

ABOUT THE POSITION

YACHT trainees presents to you the Supply Chain Management & Procurement traineeship! Work for three leading companies in the supply chain and spend three years training to be a supply chain professional. Get to know different organisations from the inside out, enjoy the view from the top of the business and work with your fellow trainees to solve challenging logistical problems! Once you have completed your traineeship, choose one of your three clients or climb the labour market with a wealth of experience!

Within the traineeship, you are closely supervised in our #schoolofwork whilst working for a company such as Unilever, Philips, KLM, Leaseplan or Nestlé. You and our talent consultants are responsible for the rapid development you will undergo. You will receive job coaching, training and peer supervision, and together we guarantee that you will receive that steep learning curve, and the corresponding steps in your salary, that you are looking for!

JOB REQUIREMENTS

- I am HBO (higher vocational level) or WO (university level) educated and come from a logistics/supply chain management or procurement background
- During my studies, I undertook additional activities that helped me to develop my leadership skills
- I am known for my drive and strong analytical skills
- I speak fluent Dutch and English
- I set objectives for myself all the time and do everything I can to achieve them
- I have a constant drive to learn
- I always strive to achieve the best result

To stand a chance of gaining the YACHT trainees traineeship or a challenging starter position with one of our clients, it is necessary to complete a number of steps:

- Complete the online assessment (competence, culture, and aptitude test, video pitch)
- Attend a personal interview with one of YACHT's talent consultants
- Attend a personal interview with the client

Within a few days, we will notify you of whether you've gone through to the next round, and therefore whether you've been invited to take our online assessment. New trainees are starting our traineeship all the time, so there is no application deadline!

EMPLOYMENT CONDITIONS

YACHT trainees offers good employment conditions with a competitive salary of 2400 euros excluding project bonus (depending on client). Your bonus is linked to your learning curve and annual appraisal and you can expect to receive 25 days' holiday! What's more, you start a new course with training days, peer supervision and coaching sessions every 12 weeks.

COMPANY INFORMATION

YACHT trainees focuses on finding, developing and connecting highly educated talent (HBO/WO) with a maximum of one year's work experience within the **financial, banking & insurance, supply chain management & procurement, engineering and IT** fields. Our consultants themselves are trainees/former trainees, so they're not just 100% behind the shared vision to develop talent, but also often have a direct link to the target group. They know better than anyone what it's like to be a trainee and what they themselves were looking for in an employer.
